

April 19, 1939.

Mr. Ed. Gottlieb,
509 Market Street,
Philadelphia, Pa.

Dear Gottlieb:

I am enclosing this form which has been signed by Tom Wilson, as Chairman. Kindly sign the space for Secretary, or if you prefer send it to Posey for his signature, then return it to me as soon as possible.

I had expected to hear from you by now about the opening date. I saw Leuschner last night at the Renaissance Banquet and from the way he talked if either of us expected anything in the way of independent bookking that day, we had better get busy. I have 1000 postal cards at the Printers waiting to be printed and addressed to be sent out for the opening. The man at Bordentown is waiting an answer to his letter, and I have two big outdoor signs that should have been painted by now. I would appreciate very much hearing from you.

I had a letter from Abe this Morning, they have been disappointed about getting the Park on the 30th in Norfolk. If you have anything in mind that would be profitable for that day, get in touch with him at #560 Second Ave., Daytona Beach, Fla. until Friday of this week, after that he will be in Atlanta, you can reach him by writing to #848 Hunter St., S. W., Atlanta, Ga. % Mr. John H. Harden.

Very truly yours,

EM:CCJ
